Claim Rejections - 35 USC § 112

9. Claims 1-24 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In the claims the scope of a price resilience indicator and market instability indicator are Indefinite. Since theses indicators lack art recognized meanings, each should be defined in the claim. Also, the limitation determined uniquely by indicators is vague and indefinite. The claim should how these indicators are used to determine the correlation functions. Also, in the claims "best" is vague and indefinite. Also, in the claims, relatively small number is vague and indefinite.
